

Dear Resident

It is mid November as I write and it is time to reflect on of the past 11 months from a LLERA perspective. If you are new to the Estate "Hello and Welcome".

The theme of this year's Chairman's message is to say thank you. My thanks go to your LLERA Committee for arranging the AGM, this was held at Eagle House School, it was good to meet with those residents who attended. Thank you to LLERA's Sue O'Sullivan and Councillor Brossard who coordinated the removal of the blue container in Greenways. Additional thanks must go to Councillor Brossard for painting the grey telephone boxes green so they matched the other boxes at the entrance to the Estate. Thanks must go to Colin Mayer for his upkeep of the path into Wildmoor. Finally, thank you to all Committee members who made the Drinks and Nibbles held in September a success and those residents who supported the event.

We have continued to experience suspicious vehicles on our estate; some of those which have been observed by residents have been reported to the Police. Can I please ask residents to remain vigilant and report any dubious activities to the Police by calling 101.

The Association's street representatives are in the process of collecting the annual subscriptions. I would therefore like to give you visibility of what the subscriptions are used for: maintaining the island at the entrance to the Estate, purchasing daffodils and tulip bulbs, for the first time this year using the services of a gardener for the bulb planting, hosting the LLERA website, purchase of a container for Estate wine glasses, refreshments for AGM and Drinks and Nibbles event, children's entertainment at the Drinks and Nibbles event, charity donation to Eagle House School for allowing us to hold our AGM at the School and the purchase of the wreath for the Sandhurst Remembrance Service.

Finally, some of you will have noted the entrance sign has been removed. This is so that it can be restored and repaired, this will be by a kind resident of our estate. It is hoped it will be back in place in the Spring.

I would like to take this opportunity to wish you and your families a Merry Christmas and Happy New Year.

Drinks and Nibbles

In September we held our Drinks and Nibbles event and the weather was kind to us. Over 50 residents and children attended and the children enjoyed the entertainment provided – face painting, drawing and fun games. We were very happy to have John and Frances Cooper

join us as our honorary guests as they had recently left the estate after living in their house in Spring Woods for 65 years. We were pleased to kick start John's 94th birthday with a 'happy birthday' singsong and a Birthday cake.

Remembrance Sunday

Sunday, November 11 marked 100 years since the end of WW1 in 1918 and Sandhurst gathered to remember the courageous men and women who died. As a tribute to the 100 years since the day the WW1 guns fell silent, there was a three-gun shot salute. Wreaths were placed at the War Memorial Monument led by the Sandhurst Mayor Cllr Andy Blatchford, followed by dignitaries and representatives from the local community which included our Chairman Graham Ramsey who layed a wreath on behalf of the Association.

Daffodils and Tulips - Several residents have commented how nice it is to see the daffodils on the estate so we thought we would plant a few more this year. In October we purchased a mix of daffodils and tulips and our gardener planted a few hundred bulbs at all the street corners and on the island at the entrance of the estate. We can look forward to seeing a mix of colour in the Spring.

Signs in Wildmoor Heath - You may have noticed some new signs as you walk into the heath which have been posted warning against fly tipping and asking owners to deal with their dog waste. These were posted following contact made by Sue to BBOWT

20 MPH - To all residents please remember there is a 20mph speed limit on this estate, implemented because of the narrow roads, cyclists and the number of children and elderly people who live here. Too many cars are being driven way above the limit.

Save the date

22nd Feb 2019
